

# 2017 Ontario Migrant Farm Worker Health Forum

April 21 – 22, 2017 – Brock University, St. Catharines, On

*A unique opportunity to come together, share best practices, and explore innovative ideas to improve the health of migrant farm workers*

## Submission for Presentations, Workshops, or Collaborative Sessions

Audience will be a diverse group of stakeholder: community health staff, health care practitioners, program directors and coordinators, service providers, workers, community development and support organizations, public health professionals, embassy and ministry representatives, researchers and students.

Submit this completed form along with a short bio to [ehuesca@ohcow.on.ca](mailto:ehuesca@ohcow.on.ca)

**Presentations and workshops:** Present on service provision, projects and programs, best practices, research results, timely issues or insights. Approx. 30min-45min.

**Collaborative Sessions:** Organize and facilitate a dynamic session focused on collaboratively identifying challenges and developing and sharing practical solutions. These sessions are participant lead with your facilitation. Approx. 40min-1 hour.

*Allocated times may change during scheduling process*
