

COVID-19 ► CLOSE THE GAPS

Prevention / Control Framework

At Work • At Home • In Our Community

No individual control provides sufficient protection on its own
– including vaccination –

SOCIETAL PROTECTIONS

- Maximize Vaccination / Masking / Isolation
- Limit mobility
- Educate: COVID IS AIRBORNE

SECTORAL PROTECTIONS

- Non-contact services
- De-densify
- Remote work
- Communication

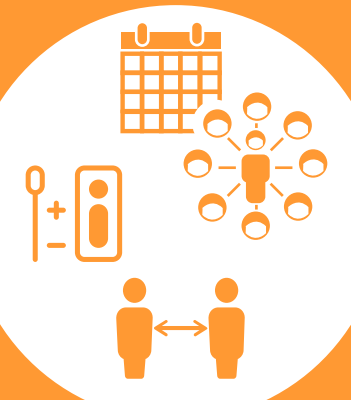

ORGANIZATION PROTECTIONS

- Policies: Sick / Isolation / Vaccination / Mask
- VENTILATION Fresh, filtered air
- Reduce occupancy
- Outdoor options

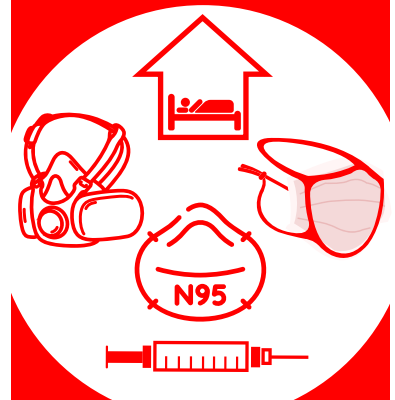

GROUP PROTECTIONS

- Scheduling / Cohorting
- Rapid testing
- Distancing
- Safer breaks / activities

PERSONAL PROTECTIONS

- Home if sick
- Reduce contact
- RESPIRATOR
- Fitted mask
- Vaccination

LAYER UP – All protection levels are required for success
