

Are you a temporary foreign worker employed in a **NAIL SALON?**

Are you interested in learning about health and safety in your workplace?

WE CAN HELP!

We offer:

FREE Workshops and Information on different topics, including:

- Understanding how to protect yourself from hazards, injuries, and illness at work (e.g., ventilation, chemicals, workstation set-up, use of PPE, etc.).
- Orientation to health and safety requirements in the workplace and protections for workers in Ontario.

Workshops and information are available at the location of your choice in the Ottawa region and in multiple languages.

Resources for Nail Salon Workers

From the Parkdale Queen West Community Health Centre
Available in **Vietnamese, Chinese, Korean,**
and **English**

Occupational Health Clinics
for Ontario Workers Inc.

Clínicas de Salud Ocupacional
para Trabajadores de Ontario Inc.

The **first five** participating Nail Salons* will receive:

FREE Health and Safety Resources, including:

- **Can99 respirators** – designed to provide the highest level of protection of any disposable respirator
- **Air purifiers** for shared enclosed spaces (i.e., at the workplace)
- **Safety glasses**
- **Translation services** of health and safety materials in workers' language of preference

*To qualify, Nail Salons must currently employ temporary foreign workers.
